Horizon Day Camp STAFF REFERENCE FORM: To be completed by the person giving the reference.

Horizon Day Camp provides children with cancer and their siblings summers filled with sunshine, laughter and happiness. Because our camper population may have greater emotional and physical needs than the well child, and because all people in our camp community are in close proximity with the campers, the experience is demanding. It is critical that our staff are attentive to children, their individual needs and concerns, and demonstrate a willingness to do more than "his or her share." The person named above has given your name as a reference on their application. All information received will be kept confidential. This applicant cannot be hired until you return this form.

Please return this form directly to us via fax, email attachment or snail mail to the address at the top of the page.

Thank you, *Amy Bram* Amy Bram, Camp Director
